Our Corporate Sponsors have always been the backbone of LE&RN's success in bringing education, research, and advocacy to the lymphatic disease community.

Your sponsorship enables us to provide education such as monthly Symposiums, *Ask the Experts*, and our blog catalogue. It allows us to further research through scholarships and financial awards. And it supports our advocacy efforts through state and International Chapters, World Lymphedema Day and our legislative efforts in Washington, DC.

In 2022, we plan to reinvigorate our Walk Series and we will be expanding these to include global virtual participation.

We understand that sponsorship is not a one size fits all proposition. LE&RN plans to connect with you to find out how else we can help you in reaching your goals. We look forward to announcing to the community that you are a 2022 LE&RN Sponsor!

Sincerely,

William Repicci, President & CEO
