

JOIN THE **LE&RN** BOCA RATON CHAPTER!

The **Lymphatic Education & Research Network's** Boca Raton Chapter connects people affected by lymphedema (LE) and lymphatic diseases (LD) across the city. The chapter's goal is to build community, increase awareness, educate, and raise funds for programs and research.

Please visit the LE&RN
Boca Raton Chapter website at

The **Lymphatic Education & Research Network** has been fighting lymphedema (LE) and lymphatic diseases (LD) since 1998. Whereas millions suffer from these diseases, they are routinely undiagnosed or mistreated.

LE&RN is dedicated to fighting lymphatic diseases through education, research, and advocacy. We seek to accelerate the prevention, treatments, and cures for lymphedema, lipedema, lymphatic anomalies, and the continuum of lymphatic diseases.
