

World
Lymphedema
Day®
March 6

JOIN THE **LE&RN** EGYPT CHAPTER!

The World Health Organization estimates that over 250 million people worldwide have lymphedema (LE).

The **Lymphatic Education & Research Network's** Egypt Chapter connects people affected by lymphedema and lymphatic diseases (LD) across the country.

The chapter's goals are to build a community, increase awareness, educate others, and fight for a cure.

Please visit the LE&RN Egypt Chapter website at <https://lymphaticnetwork.org/international-chapters/egypt>

And follow the Egypt Chapter on 

To become involved, contact **Ahmed** at EgyptChapter@LymphaticNetwork.org.

The **Lymphatic Education & Research Network** has been fighting lymphedema (LE) and lymphatic diseases (LD) since 1998. Whereas millions suffer from these diseases, they are routinely undiagnosed or mistreated.

LE&RN is dedicated to education, research, and advocacy to improve the lives of those affected by lymphedema and lymphatic diseases. Visit www.LymphaticNetwork.org for more information.
