

Postdoctoral Position

Scallan Lab

Morsani College of Medicine • Tampa, FL • 2021

Position Description – A postdoctoral fellowship position is now available in the Scallan Lab in the Department of Molecular Pharmacology and Physiology at the University of South Florida. The lab seeks applicants who have a strong background in lymphatic biology or vascular biology to investigate how genetic mutations contribute to lymphatic malformations. The Scallan Lab also has ongoing projects on lymphatic cell junction signaling. Applicants with a PhD or MD, molecular biology expertise, strong critical thinking/communication skills, and a track record of productivity are preferred.

TO APPLY, SEND A COPY OF YOUR CURRENT CV, THE NAMES OF 3 PROFESSIONAL REFERENCES, AND COVER LETTER TO: Joshua Scallan, PhD, jscallan@usf.edu
